Team of the Month

LX United U11 Girls

This month, we're excited to highlight our LX United region, especially the U11 girls team! It seems like these girls have had an amazing season, so we reached out to the coaches and team members for their thoughts. Check out their comments below!

Remarks from Coach Mike and Coach Ryan:

"One highlight was the focus on foundational skills, like passing, spacing, and communication. While it may not always have been the most exciting part of practice, taking the time to walk through and understand these concepts truly paid off on the field. The girls' success was built on these fundamentals, showing how commitment to the basics can make all the difference."

"A standout experiences this season was practicing with the U15 girls team. A big thank you to Coach Gee, Dan, and their talented players for inspiring our team and helping them see what they can aspire to. The camaraderie between the two teams was invaluable, bringing us closer together and showing our girls what they can build towards. Speaking of closeness, our team transformed into a family. The girls were genuinely excited to see each other at every practice and tournament, and it was heartwarming to watch that bond grow. Their unselfish play and determination led to a solid defensive line and goalkeeping, with an unwavering commitment to play for one another. The girls' resilience and positive attitude were on display in every game, and it's something I know we're all incredibly proud of."

Comments from the girls:

"We loved how close our whole team got"

"Loved seeing how from game to game we improved"

"Favorite part was not always bringing home the win, but growing as a team during the season"

"LXU on 2, one, two LXU!!!"

Sponsor of the Month

Your Partner in Saving for Higher Education

Edvest 529, Wisconsin's College Savings Plan has been helping families save for higher education and career training expenses for more than 25 years. A 529 plan is a tax-advantaged investment account designed to help save for a beneficiary's (typically one's child or grandchild) future education expenses. Wisconsin taxpayers who save with Edvest 529 may experience triple tax benefits, including tax-deferred growth on earnings, tax-free distributions when paying for qualified higher education expenses, and a state income tax deduction (up to \$5,000 per beneficiary) on contributions to an account.
