

COLLEGE SPOTLIGHT

AVA AND EMILY

It's such a thrilling full circle moment for Ava and Emily! Having both been long-time players for the Tosa Kickers and both earned scholarships from MKSC, they are now embarking on their soccer journey together at Wisconsin Lutheran College. We can't wait to see what lies ahead for these two talented athletes. Keep shining!

QUOTE FROM EMILY

"I am so thankful for the opportunity to play a college sport. Whether I was playing for the Kickers or for my high school, soccer has always been a huge part of my life. To be able to continue playing with Ava has been great, especially to be able to translate our previous team chemistry from the Kickers to our WLC team. I'm so glad to have a piece of my club team with me as I continue my athletic career. I am excited to see where God takes me in these next steps."

QUOTE FROM AVA

"Emily and I were on each other's first team of playing club soccer together. After that year, our age groups split so we did not play with each other until last season, as our final season with Tosa Kickers. It is such a cool opportunity to play with someone in college that I have known since I was in 3rd grade. I am so excited for what WLC holds for both of us!"
